OVERVIEW

AVAILABLE MID 2024

Sion Hill Skippers House is a delightful property. It is located in an upscale residential neighbourhood. It is situated on an inland ridge just 10 minutes from Holetown.

The Skipper's House is one of 5 rental homes on the plantation property. This was originally a centuries old sugar plantation. It has been converted into 5 unique apartments.

With every modern comfort you could need the property still boasts some unique historical aspects.

Originally the plantation manager's house, the 'Skipper's House' is located in The Yard at Sion Hill. It has been restored to its exact dimensions. This ground floor apartment offers 2 bedrooms each with en suite bathrooms. The apartment still showcases some of its original architectural elements. These include the original exposed ceiling beams.

The property features an expansive communal pool deck. The property enjoys sunset views. There are old growth mahogany trees and year round breezes.

Features of this apartment include AC in the bedrooms. There is a full kitchen and home office desk.

There is a shared pool and full laundry facilities.
