OVERVIEW

Zazen is a luxurious villa set amongst the dramatic scenery of the east coast of Barbados. It is located right on Cattlewash Beach. This is the first ultra- modern luxury 5 bedroom villa offering of its kind. It is located in this unforgettable landscape.

Villa Zazen is a mixture of Eastern spiritual traditions and refined industrial design. It is set against the vivid hues and Atlantic swells of Cattle Wash Beach.

The distinctive architectural style makes this chalet style industrial loft aesthetically pleasing. It offers approximately 6,000 square feet of living space on two levels. Villa Zazen is a prominent landmark in the heart of Barbados' rustic East Coast.

Shared dining and living areas offer clean lines and crisp detailing. There are elements of stainless steel, concrete, stone and timber.

Other architectural and interior design features include operable louvres. There are also large sliding doors of highly durable Sipo Mahogany. Outside is an al fresco eight-seater dining area with fire pit and barbeque. This cool villa has airy 30-foot ceilings.

A state-of-the-art kitchen offers professional-grade stainless-steel appliances. These disappear behind panels that match the adjacent cabinetry.

The Caribbean sunlight and breezes pervade Zazen's cool, spacious interiors. A neutral palette of greys and browns and luminous white walls reflect the sparkling waves outside. Slabs of multi-coloured semi-precious stones adorn each room of the house.

There are two wings. These are located on opposite ends of the ground floor. There is easy access from the bedrooms on this level to the pool and beach.
