OVERVIEW

The Cowshed is a three bedroom plantation style property, located in St Lucy. It is five minutes from Port St Charles and less to Half Moon Fort and The Fish Pot.

The house has three en-suite bedrooms, all air conditioned, with two bedrooms downstairs and one upstairs.

The master bedroom has a king bed, the second bedroom downstairs has two twin beds and upstairs has either three twin beds or a twin bed and a king bed. There is a verandah overlooking the paddocks and use of a swimming pool which is shared by three houses, the Cowshed being the middle house.

Although the property is in the country, being a plantation yard there is plenty of support from staff on Bromefield.
