OVERVIEW

Ocean Reef 102 is a spacious 3 bed 3 bath unit with an office. It is one of the few units in the complex with a private plunge pool.

Ocean Reef 102 provides a spacious open plan living space. This opens onto the covered terrace with spectacular ocean views. These views may also be enjoyed from the well equipped kitchen. The kitchen is fitted with top quality appliances. Two of the bedrooms are effectively en-suite master bedrooms and also boasts superb sea views.

The property has a secure garage and a large storeroom. The bedroom suites are unbelievably quiet and tranquil. Thanks to their design and the extremely high quality doors and windows most external sound has been eliminated.

There is security at night, and a well-equipped gym.

Ocean Reef is conveniently located at the heart of the vibrant south coast. It is close to the many facilities of the area. There is no better coastal location in Barbados. The owner has designed an outstanding building that takes full advantage of the oceanfront position. Residents have private access to the ocean and extensive beach to the west of the building.
