Millwall Place offers city living when you want it and a quiet retreat when you need it. Perfectly centred in the highly sought-after community of Welches, St James, these six newly-built two-bedroom, two-bathroom apartments offer modern upscale living that is perfect for you.

Located on the border of St. James and St. Thomas, our tenants/guests will find lots of shops and restaurants within walking distance. Due to the close proximity of the two shopping plazas, situated at The Walk and Warrens, you will have no difficulty finding shops, restaurants, bars, financial services, health care facilities, entertainment, hardware stores and supermarkets.

Millwall Place sits obliquely opposite an open park with a tranquil garden view and comes inclusive of several useful amenities such as assigned parking, private communal swimming pool and on-site storage lockers. These spacious, open-plan apartments come complete with several luxuries including porcelain floor tiles throughout, custom-built modern kitchens with quartz counter-tops and stainless steel, energy-efficient appliances. Both bedrooms are fitted with custom-built walk-in closets and energy-efficient inverter air-conditioners. Each apartment is furnished with a modern, contemporary look which will appeal to both a mature and younger clientele.
