OVERVIEW

Port St Charles apartment is situated on the northern edge of the Port St Charles community. This second floor apartment boasts spectacular panoramic views of the marina and dazzling Caribbean Sea.

The apartment was carefully designed to the tune of breezy Caribbean style living, with open plan layouts and high pickled pine ceilings. The home includes three spacious bedrooms, each with its own en suite marble shower, along with a powder room for the convenience of guests.

Stylishly yet comfortably furnished with contemporary and tropical elements. The living room opens on to a large terrace for al fresco dining, also perfect for relaxing and entertaining. The kitchen is well outfitted with modern appliances and the layout features an excellent design, with a service door that provides easy interaction between the dining area and kitchen.

This unit is being offered fully furnished.

Available from May 1st 2020.
